

R2G – RIGHTS TO GROW

HOW DOES PARTICIPATION WORK BEST IN SOCIAL ENTERPRISES?

Invitation - Final conference

25-26 June 2019

VENUE

Les Ateliers des Tanneurs

Rue des Tanneurs 60A, 1000 Brussels, Belgium

DIESIS invites you to the final conference of the R2G – Rights 2 Grow project on 25th-26th June 2019 at the Ateliers des Tanneurs in central Brussels.

Participation is the great strength of social enterprises – but how do they make it work in practice? How do employees, customers, local authorities and other stakeholders contribute to social enterprises' success, and improve their social impact?

The **Rights to Grow** project has researched the practices of 26 social enterprises in 13 EU Member States. Its final conference on 25-26 June 2019 will examine a selection of participation techniques from a cross-section of social enterprises in different EU countries.

Key stakeholders will discuss the cases and give their reactions.

After lunch, participants will divide into small groups to discuss the recommendations that are to be taken forward.
