

DIESIS NETWORK STRATEGY 2020 2030

We are the widest European network specialised in supporting **social and solidarity economy and social enterprises** covering **20 countries** through major national federations and support networks associating over **90,000 organisations** and **1.2 million workers**.

MISSION VALUES GOAL VALUES MISSION

Diesis Network aims at contributing to the growth of social economy in Europe and worldwide. Together with our members, we support the development of social economy, social entrepreneurship and social innovation by sharing knowledge through peer learning, capacity building, cross-sectorial and cross-country exchanges of good practices and research. Through our initiatives we influence national and European policies.

Sustainability and innovation are at the core of **Diesis Network** human centred approach. We believe in an inclusive economy based on social and economic impact, in the primacy of individual and the social objective over capital in democratic governance.

VISION VALUES MISSION GOAL VALUES MISSION

We see our community as an ecosystem of ecosystems supporting and empowering people worldwide and an economy that works for the People and the Planet.

Through our initiatives, we foster cooperation between ecosystems and raise awareness for social economy, partnering with European and international networks.
