**PREPARATION**

WORKPACKAGE #2  
**PROJECT & QUALITY MANAGEMENT**

WORKPACKAGE #3  
**DISSEMINATION AND COMMUNICATION ACTIVITIES**

WORKPACKAGE #4  
**MONITORING, EVALUATION AND PEER REVIEW**

WORKPACKAGE #5  
**INTELLECTUAL OUTPUTS**

## OBJECTIVES

- #1** fostering intercultural competences in different target groups by disseminating the MCE innovative intercultural approach thanks to training courses and multiplier events;
- #2** developing an intercultural approach in public and private life that can help to fight against discrimination, racism and extremism in schools, social services, public spaces, and so on;
- #3** developing, through the intellectual outputs and the joint staff training, a standardised competences framework, a course curriculum for intercultural training, original methods and new toolkits starting from Cohen-Emerique's approach.

Intellectual Output

**1**

**Framework**

A framework of competences for trainers of the intercultural approach of Margalit Cohen-Emerique

Leader: Elan

Intellectual Output

**2**

**Curriculum**

A training curriculum for training the trainers to the MCE method and to be applied in different intercultural environments.

Leader: Cesie

Intellectual Output

**3**

**Handbook**

Collection of texts on cultural sensitive zones which can become zones of contestation in conflicts involving parties with different cultural backgrounds

Leader: Artemisszio

Intellectual Output

**4**

**Toolkit**

A toolkit that collects and systematises methodological innovations that partners have developed to complete the MCE methodology.

Leader: Elan

Intellectual Output

**5**

**Multimedia**

Multimedia materials such as videos and short movies to be used during trainings on MCE methodology.

Leader: Ruah

Intellectual Output

**6**

**Platform**

An online training platform, for learners working with migrants that wish to engage in the MCE approach, or are exploring such opportunity.

Leader: Ruah
