Mapping European Social Economy:
Employment, Social Dialogue
and the European Pillar of Social Rights

Objectives

The MESMER+ project (2022-2024) aims to establish an up-to-date in-depth mapping of activity and representation of social economy players – from both the employers' and the employees' sides – within social dialogue institutions and various industrial relations settings in nine countries : **Belgium, Bulgaria, France, Italy, Ireland, North Macedonia, Poland, Spain and Sweden.**

The project and its partnership are committed to the principles enshrined in the **European Pillar of Social Rights (EPSR)** and to contributing to the Pillar's implementation.

Outputs

9 national reports
1 set of policy recommendations

1 mapping study

3 European workshops
9 national policy labs
Launch Event & Final Conference

Dissemination activities

Target Groups

Project partners and associated organisations and their networks

Trade unions & employers' organisations, active or with an interest in the **social economy sector**
