

MESMER+

Mapping European Social Economy: Employment, Social Dialogue and the European Pillar of Social Rights

Project nr. 101052222

Policy lab – Poland

11th September 2023

From 10.00 to 14.00

Venue: Marzyciele i Rzemieślnicy, Bracka 25, Warszawa

The [MESMER +](#) aims to establish an up-to-date in-depth mapping on activity and representation of social economy players – both from the employers’ and employees’ side in nine countries: Belgium, Bulgaria, France, Italy, Ireland, North Macedonia, Poland, Spain and Sweden.

During the Polish policy lab, we will explore the absence/presence of social economy in social dialogue in Poland, map on good practices, potentials, possible approaches and directions for change.
