SUCCESSFUL APPLICANTS:

Through the Open Call for Proposals for Financial Support for Social Economy SMEs in Agrifood Sector, launched within the framework of the [GRAINS project](#), 60 participants selected to support financially the implementation of their greening projects in their agrifood businesses in EU Members States and Ukraine.

The activities for which social economy SMEs received financial support are:

- training (upskilling and reskilling),
- consultancy and labelling for greening their operations,
- tailored advisory services to develop local markets,
- other elements necessary for greening their enterprises (eco certifications, eco packaging, digitalisation and technologies, etc.),
- additional path of coaching and mentoring on development of the green transition for social enterprises.

The Social Economy SMEs selected under the Call for Proposals in the Financial Facility Programme will receive an amount of max € 8.175,00 of financial support to implement their projects with the support of one or several service providers choosing the most appropriate provider from the pool of providers created through the specific [Call for Service Providers](#) in frame of GRAINS project. The projects have to be implemented within 8 months of the date of the sub-grant agreement signature.
